A fantastic quality of life awaits

Kingley Grove is set in a truly fine location, just a 10 minute walk from the centre of the quintessentially English village of Melbourn.

Here, you'll find all the amenities you'll need for day to day living, from GP and dental surgeries to a Co-operative supermarket and a Post Office. Elsewhere, you can indulge in a drink or two at The Black Horse and Dolphin pubs, or treat yourself to a meal at the Sheene Mill.

Much of local life takes place in the Melbourn Hub on the high street, which features a café, a library access point and meeting rooms, often the venue for many community activities. Melbourn is well served for education with two nurseries, a primary school and the Village College, which takes pupils up to the age of 16.

Just four miles away is the popular town of Royston, which has a superb range of independent retailers including

boutiques, art galleries, antique and local traders. The town's Market Hill comes alive on Wednesdays and Saturdays, offering a wide variety of fresh local produce.

For retail, history and leisure options on a much wider scale, the world-renowned city of Cambridge can be reached in half an hour by car. Shop at the Grand Arcade offering an abundance of shopping, high street retailers and independent boutiques, take in a show at the Cambridge Arts Theatre or enjoy a leisurely walk along the River Cam – the opportunities are endless in this glorious city.

From Kingley Grove, the M11 motorway is just ten minutes in the car, linking you to Cambridge to the north and London to the south. Meldreth Train Station is a six minute drive, with destinations including Cambridge (16 minutes) and London Kings Cross (1 hour and 8 minutes). Stansted Airport is around 40 minutes away for international travel.

It is not possible in a brochure of this nature to do more than give a general impression of the range, quality and variety of the homes we have on offer. The computer generated imagery, floor plans, configurations and layouts are included for guidance only. The properties may vary in terms of elevational design details, position/size of garage and materials used. Such changes are due to our commitment to creating homes of individual character, although similar to others. We operate a policy of continuous product development so there may be material differences between the accommodation depicted in our literature and that on offer on any particular development or at different times during the progress of any development. Maps not to scale. Computer generated images of property types at Kingley Grove may not necessarily illustrate that property type in its setting at this development. All internal and external photography of properties depicts previous Hopkins Homes and Hopkins & Moore developments. Other photographs are of the local area or are indicative lifestyle images. 12/18 182197 Designed and produced by thinkBDW 01206 546965.
