

Staying safe whilst viewing a home

When you view a property with us we will:

Meet you outside the property at the specified time

Have the property prepared ideally with doors and windows open

Ask you to confirm that you and no member of your household has any symptoms of COVID19

Request that only 2 people from your household attend, no children under 16

Wear a face covering throughout the viewing

We request that you:

Wait in your car or at a safe distance prior to the appointment

Don't bring unnecessary bags

Have hand sanitiser for use prior to entry

Avoid touching any surfaces, handles etc within the home

Adhere to the 2 metre social distance rule

Leave the property swiftly and continue discussions outside, adhering to the 2 metre social distance rule
